WORKERS COMPENSATION

How Workers Comp Protects Your Business

Workers Compensation protects you and your employees in the event of an injury or illness in the workplace. Workers Compensation is required by law and protects you from costly medical expenses and compensation.

Benefits For Your Employees:

- Lost wages due to missed work
- Assistance with ongoing medical bills

Benefits For Your Business:

- Reduces financial loss in the event of a workplace accident
- Protection from potential negligence lawsuits
- Keeps you compliant with state regulations

What Does Workers Comp Cover?

Medical Costs related to a workplace injury or illness

Cost of hiring a temporary worker

Legal fees from potential lawsuits or fines
